

§ 905.161

shall complete and submit to the committee, no later than 2 p.m. of the business day following the shipment, a report of red seedless grapefruit shipments by day for each regulation week.

(e) Any handler may transfer or loan any or all of their shipping allotment (excluding the overshipment allowance) of size 48 and 56 red seedless grapefruit to any other handler. Each handler party to such transfer or loan shall no later than noon on the Wednesday following the regulation week notify the committee so the proper adjustment of records may be made. In each case, the committee shall confirm in writing all such transactions, prior to the following week, to the handlers involved. The committee may act on behalf of handlers wanting to arrange allotment loans or participate in the transfer of allotments.

(f) New handlers with no record of shipments planning to ship red seedless grapefruit covered by any percentage size regulation shall register with the committee prior to the regulation period so their allotments can be properly calculated. Each new handler shall provide on a form furnished by the committee their Florida citrus fruit dealer's license number, their Florida Department of Agriculture and Consumer Services' Fruit and Vegetable Division packinghouse registration number, and the physical location of the packinghouse where the red seedless grapefruit is to be prepared for market. The committee shall notify any new handlers of their allotments prior to the regulation period.

§ 905.161 Repacking shipper.

(a) A repacking shipper is a person who repacks and ships citrus fruit grown in the production area in Florida which has been previously inspected and certified as meeting the requirements specified under § 905.52 of the order, and who has obtained a currently valid repacking certificate of privilege issued to him or her by the committee as specified in § 905.162.

(b) Each repacking shipper, to qualify for a repacking certificate of privilege,

7 CFR Ch. IX (1-1-11 Edition)

must notify the committee 10 days prior to his or her first shipment of repacked citrus fruit during a particular fiscal period of his or her intent to ship such citrus fruit, submit an Application for a Repacking Certificate of Privilege form supplied by the committee, and agree to other requirements as set forth in §§ 905.162 and 905.163 inclusive, with respect to such shipments. The repacking shipper shall certify that he or she will only handle previously inspected and certified citrus fruit.

(c) Any repacking shipper who handles citrus fruit shipped under a repacking certificate of privilege must, other order provisions not withstanding, meet the following requirements:

(1) All such citrus fruit must be positive lot identified by the Federal or Federal/State Inspection Service and certified as meeting the applicable requirements for citrus fruit shipped to the domestic market (fruit shipped from the production area to any point outside thereof in the 48 contiguous States and the District of Columbia of the United States), prior to being repacked and shipped by the repacking shipper. Each such citrus fruit shipment shall be accompanied by a Federal-State manifest that certifies the grade and amount of each load of citrus fruit received, which shall be retained by the repacking shipper.

(2) Be reported as required in § 905.163.

(3) The repacking facility used to repack previously inspected and certified citrus fruit by the repacking shipper shall not have operable equipment to wash, brush, wax, or dry citrus fruit.

(4) All citrus fruit handled by a repacking shipper shall be packed in approved Florida Department of Citrus fruit containers.

(5) Each container shipped with such citrus fruit shall be marked with the repacking shipper's repacking certificate of privilege number.
